Vol. 88, No.5 December 2025

Tracy Moy
President 2025
tracy.moy@att.net

Ladies,

It's hard to believe 2025 is almost over!! As I write to you for the last time as President, I am wishing you all the happiness of the holiday season and a wonderful start to the New Year.

It has been a true pleasure being your president and I hope everyone enjoyed the events. I especially want to thank all of the members that contributed to our 50/50 drawings throughout the year and the end of the year golf certificate raffle. The raffle helped raise most of the \$1500.00 that will be donated next year. Your generosity truly makes a difference in young women's lives as they pursue their golfing dreams.

PBGN will celebrate it's 34th year as an organization in 2026. As the organization looks to continue making changes that will help us attract new members, I hope all of you will consider rejoining in the coming year. This is a wonderful group filled with amazing women that I'm thankful to call my friends.

Until next year, be safe during the holidays and look forward to seeing all of you in the new golfing season.

Tracy

PBGN Proposed Changes 2026

I'm writing you today to communicate some of the discussions the board has been having over the last 2 months.

The PBGN organization has been very successful over the past 30+ years, but as with any organization the dynamics of the organization continually change and we have been seeing such changes over the past several years.

The board has identified 5 significant issues the club is facing right now which could lead to the dissolvent of the club if some changes are not made and implemented for 2026.

1. Aging organization
2. Decreased participation on weekend golf events
3. Pace of play at weekend golf events
4. Cost of weekend golf events
5. Fixed incomes

The board realizes that with any major change to the organization there is always the possibility we will lose membership. The board has discussed several different change proposals but feel like we have come up with a change to the structure of the club that significantly lessens the possibility of losing members in 2026.

The proposed changes are:

- PBGN would play one Saturday morning and one weekday morning (Thursday) a month.
- PBGN would still keep the same type of schedule: 2nd and 4th week or 1st and 3rd week.
- There would still be a Member/Guest, Hole in One and Fall Classic tournament to be played on Saturday.
- The green fees on a weekday would be considerably less than a weekend and could make it financially easier to play twice a month.
- This change would allow those still working to play once a month on the weekend dates.
- This change could generate more growth to the organization of retired women or those that have flexible work schedules.
- Pick up when you have reached Net Double Bogey (Par for hole + 2 strokes + handicap strokes for the hole).
